In the beginning...

“In the beginning God created the heavens and the earth.”

- *Genesis 1:1*

Genesis 5

Genesis 5 reminds us...

1. The significance of every human life.
2. The progress of time and procreation.
3. The compounding consequences of sin.
4. It is possible to walk with God, even in a fallen world.
5. The providentially protected path of redemption history!

- Walking in communion with God
- Taking the same route God takes
- Traveling the same speed God is traveling
- Heading for the same destination God is headed for

“The Company of Jesus is not people streaming to a shrine; and it is not people making up an audience for a speaker; it is laborers engaged in the harvesting task of reaching their perplexed and seeking brethren with something so vital that, if it is received, it will change their lives.”

- Elton Trueblood, *The Company of the Committed*

“The necessity and provision of redemption is at the very heart of God’s plan and the plan of His heart.”

- David Jackman
